

ORDINANCE NO. 874

**AN ORDINANCE RELATING TO FINANCE; ADOPTING
A BUDGET FOR THE CITY'S OPERATIONS FOR THE
YEAR 2023.**

RECITALS:

1. The Mayor and Council, with the aid of the City staff, has undertaken an extensive review of the anticipated needs of the City for the year 2023, as well as the revenues available to finance those needs. That review has included workshops held by the Mayor and Council reviewing all available information.

2. As a result, a preliminary budget was presented. Public input was sought and received in relation to various elements of the preliminary budget draft through the holding of public hearings. The final public hearing on the budget was held on December 14, 2022.

3. As was true during the course of the development of the budgets for prior years, the economic situation of the City in terms of revenue remains challenging.

4. The Mayor and Council have sought to develop a budget which is balanced while providing adequately for the needs of the City and its citizens while not imposing undue fiscal burdens upon the citizens. The situation is one which continues to require the City to consider actions which are very difficult, both from an operational standpoint and, just as importantly, in light of their actual or potential impacts upon City's

citizens and businesses as well as the employees whose services are so important to the operation of the City.

5. Prior to the finalization of this budget, the Council adopted and thereafter the Mayor signed an ordinance establishing the authorized level of taxation on real property within the City. A certified copy of that ordinance has been delivered to the appropriate County officials by the Clerk-treasurer.

6. After a final review by the elected officials and staff, it has been determined by the Council that the best interests of the Citizens and this City are served by the adoption of a budget as set forth upon Attachment “A” and Attachment “B”.

7. The budget as set forth is balanced in terms of projected income and expenditures. It is adopted as a budget by fund and not a line-item budget.

NOW, THEREFORE, BE IT ORDAINED AS FOLLOWS BY THE CITY COUNCIL OF THE CITY OF MCCLEARY:

SECTION I: There is hereby adopted as the budget for the City of McCleary for the calendar year 2023 the expenditures and revenues set forth upon Attachment “A”, and wages and salaries set forth upon Attachment “B”, attached hereto and incorporated by this reference.

SECTION II: A full and complete budget document showing in detail the revenues and expenditures, and wages and salaries anticipated and/or made pursuant to the provisions of Section I of this Ordinance is on file with the Office of the Clerk-Treasurer, City of McCleary, and shall be available to any interested citizen during the regular business hours
