Our mission is to distribute food to those in need. We give thanks to the community for financially supporting the McCleary Food Bank for over 30 years! We also give thanks to Gordon's Market for supplying fresh dairy products, eggs, bread, potatoes and onions every month. Without the generous support of the City of McCleary we would not have a food bank in McCleary. The McCleary community is truly kind, generous and loving!

If you would like to donate to the foodbank, we accept food donations at Gordon's Market and on our distribution days – the second and fourth Mondays of each month from 8:30 – 11:00 a.m.
