

TOWN OF McCLEARY

McCLEARY, WASHINGTON

RESOLUTION NO. 85

Resolution providing for increase in planned total expenditure for capital improvement projects.

Whereas, under the terms of Public Law 87-658, approved September 14, 1962, the United States of America has authorized the making of grants to aid in financing construction of specific public works projects, provided the proposed or planned total expenditure of the public body for its capital improvement projects is increased by an amount approximately equal to the non-Federal funds required to complete such public works projects:

Now, Therefore, Be It Resolved By The Council of the Town of McCleary:

1. That as of the date of filing of an application by the Town of McCleary, hereafter called Applicant, with the Housing and Home Finance Agency, United States Government, for a grant to aid in financing the construction of addition to the Water and Sewer System, the Applicant had a capital improvements plan or capital improvement budget for the fiscal year or years during which construction of the proposed project is expected to occur; and that the total expenditure for capital improvements in said plan or budget was \$1000.00 for the fiscal year ending 1963.
2. That, in the event that said Federal grant is approved by the United States of America, said capital improvements plan or capital budget is hereby increased by \$13083.50 for the fiscal year ending 1963, for a total increase of 12083.50 in the proposed or planned total expenditure for capital improvement projects (exclusive of Federal funds).
3. That said increase in the proposed or planned total expenditure for capital improvement projects is approximately equal to the non-Federal funds required to complete the public works project for which the application is to be submitted.

Passed and approved this 18th day of December, 1962.
